Sir,

I have the honor to state that the Amildar of Arsikere Taluk reports that since the opening of the Railway, the Travellers Bungalow at Banavar is not much used by the Travellers and that the realisation of fees since the last 2 years is only Rs 19-4-" and that therefore the Bungalow which is now a 2d. class one may be transferred to the 3d. class.

2 — The Travellers Bungalow at Palleya in Hassan Taluk which is now a 3d. class one may be classed under

under 2d. Class as this Bungalow is much frequented by the Planters and others on their way to Hassan and Bangalore via Arsikere from Manjarabad and Mangalore. The services of the establishment in the Banawar Bungalow will be transferred to Balla except the Sweeper, who will be retained there.

3 — This arrangement does not in any way increase the cost of establishment. I therefore request you will be good enough to obtain Government sanction in the matter. —
